**Bali, Indonesia, 26th September 2017** - Mövenpick Resort & Spa Jimbaran Bali, the official partner of the Maybank Bali Marathon 2017, is giving sports fans of all ages and abilities the chance to stay active during their vacation.

The new upscale family resort supported the recent Maybank Bali Marathon, which took place on 27th August 2017 and gathered fun-runners and professional athletes from across the world to the "Island of the Gods" for a series of races, ranging from a children's sprint to the full marathon.

Leading up to the marathon, Mövenpick Resort & Spa Jimbaran Bali created a special "Bali Marathon Package" which offered discounted rates and other benefits to participating athletes. This package proved extremely popular, with 30 rooms - or more than 10 percent of the hotel's inventory - being occupied by athletes during the Maybank Bali Marathon 2017. The group of athletes also enjoyed a BBQ dinner at the Above Eleven, Indonesia's first themed Rooftop Bar and Restaurant serving up breath-taking views of the island, an incredible cocktail menu and a perfect blend of Peruvian Japanese food.

With its tropical outdoor setting, just 100 metres from the Indian Ocean, and extensive leisure facilities, Mövenpick Resort & Spa Jimbaran Bali by PT. Summarecon Agung Tbk., is ideal for guests who like to stay active during their holiday - from serious athletes to sporting couples and fit families.

Guests can plunge into the resort's expansive free-form swimming pool, which features an artificial beach area, or take a more serious swim in the lap pool. Alternatively, visitors can work out at any time of day in the modern, 24-hour fitness centre, or soothe their aching muscles with a massage in the resort's traditional Balinese spa.

With the shores of Jimbaran Bay just a short stroll from the resort, guests can also enjoy an array of water sports, including surfing, sea-kayaking, jet-skiing, wind-surfing and kite-surfing and diving, while those seeking to explore Bali's volcanic interior can partake in activities such as trekking and white-water rafting.

Mövenpick Resort & Spa Jimbaran Bali is also just a short drive from several high-quality golf courses, including the Bali National Golf Course, which features challenging lakeside holes, and the oceanfront, championship-standard New Kuta Golf Club.

Participants of the Maybank Bali Marathon 2017 can still take advantage of these fantastic facilities with a special promotion that is valid until 30th June 2018. This includes a 10 percent discount on the resort's best available rate and a 15 percent discount at the Anarasa Restaurant, (excluding alcohol). Reservations for the Maybank Bali Marathon promotion must be made direct with the resort.
