MGALLERY DEBUTS IN HONG KONG WITH A STUNNING ECO-CHIC URBAN RESORT

THE SILVERI HONG KONG – MGALLERY ON LANTAU ISLAND ACHIEVES STYLISH SUSTAINABLE HOSPITALITY WITH BEAM PLUS GOLD STATUS

The MGallery Hotel Collection is delighted to announce the opening of its first hotel in Hong Kong. The Silveri Hong Kong – MGallery is a chic, eco-friendly urban resort hotel styled after a modern manor house in Tung Chung, Lantau Island. The hotel's unique blend of sleek modernity and lush natural gardens, along with its environmentally-conscious credentials, innovative food & drinks, and unique guestroom & suite features, appeal to domestic and international travelers alike. Thoughtfully designed to be stylishly sustainable, the hotel has achieved a BEAM Plus Gold rating and will offer numerous green initiatives and eco-friendly guest experiences.

*"It is with great pleasure that we introduce **The Silveri Hong Kong – MGallery**, an absolutely stunning hotel that is raising the bar for sustainably responsible travel and positive hospitality," said **Gary Rosen, Chief Executive Officer, Accor Greater China**. "MGallery is a brand that is exceptionally caring when it comes to its guests and its destinations, expertly balancing urban sophistication with natural beauty. Hong Kong is an ideal fit for this new flagship hotel, welcoming domestic and international guests to experience MGallery's Memorable Moments and thoughtful touches which are fueling its worldwide record growth and popularity."*

The Silveri Hong Kong – MGallery takes its name and inspiration from the historic silver mines of Hong Kong's Lantau Island. The 206-room-and-suite hotel shines with a silver décor, from metallic design motifs throughout the hotel, to the outdoor sculpture garden, to the shimmering views of sunlit waves upon the sea. Lantau, once a mountainous land dotted with silver mines, has evolved to become part of the vibrant metropolis of Hong Kong, while retaining that special feeling of being a world away.

The new flagship MGallery hotel offers an idyllic retreat, and it is conveniently located within the iconic Citygate mixed-use commercial complex, a mere five-minutes away from the Hong Kong International Airport and just 30 minutes from the city centre.

The Silveri Hong Kong – MGallery offers a unique arrival experience, providing the sensation of descending through a hidden lush greenery, a cascading waterfall and a brilliant silver leaf archway leading up to a cozy manor home. A courtyard with stone walls and a tranquil pond features a striking silver water drop sculpture, where guests are met with the warm smile of The Silveri doormen, and a refreshing welcome drink.

The Silveri Hong Kong – Pool Terrace Suite with private outdoor Plunge Pool

Within the hotel, guests will discover a lush, outdoor garden featuring winding paths, a stylish 25-meter swimming pool, expansive lawns, and a well-equipped fitness area. A dozen extraordinary signature suites surround the garden, featuring generously sized outdoor terraces, each with its own private outdoor Plunge Pool or private outdoor heated Jacuzzi overlooking the verdant hills of Lantau. These suites offer a true resort-style experience, rare among the urban environment of Hong Kong.

The Silveri Hong Kong – MGallery offers a number of unique guest experiences, as well as an elevated hospitality style that is sure to engage visitors. The hotel team will curate and arrange Memorable Moments

for each guest, a signature of the MGallery brand, such as private helicopter tours above Lantau; hiking adventures in Tai O; or excursions to nearby tourist attractions such as the world-famous Tian Tan Buddha, Po Lin Monastery, and Hong Kong Disneyland.

*"We're excited to introduce MGallery's newest eco-friendly urban resort to Hong Kong, bringing a cool, stylish level of hospitality to this vibrant city," said **Guillaume Gallas, Complex General Manager, The Silveri Hong Kong – MGallery and Novotel Citygate Hong Kong**. "From sunset cocktails with unforgettable mountain views, to al fresco private dinners on the terrace and lively weekend brunches, our entire hotel team looks forward to creating many inspirational experiences for our guests, as they kick-back amid a refreshing, contemporary, and eco-chic setting."*

Food & drink are certainly a draw at **The Silveri Hong Kong – MGallery**, destined to become a new favourite hot spot among locals and visitors alike. *The Pavilion* bar is a stylish hangout for drinks and an ideal spot for enjoying afternoon tea, as well as offering **one of Hong Kong's best views for sunset cocktails**. *Fresh* is a daily coffee bar featuring light lunch and snackable fare. *The Enclave* is an upscale modern bistro, helmed by Chef Danny Grimshaw who brings influences from his travels throughout Australia, Thailand and Hong Kong. With the outdoor terraces and surrounding lawns, lively **weekend brunches** at **The Enclave** are expected to be very popular with local residents.

The Drawing Room and The Boardroom both feature high ceilings and natural daylight and are ideal venues for small to medium size corporate meetings and creative brainstorm sessions.
