**Bangkok, 25 August 2021** – MGallery Hotel Collection, part of the world-leading Accor group, has unveiled its latest storied offering in Thailand, with the opening of V Villas Phuket – MGallery. Inspired by the lush nature found on the southern tip of this tropical island, the boutique resort is perfect for travellers seeking an enriching escape into unparalleled privacy and bespoke indulgence.

V Villas Phuket – MGallery offers the utmost privacy with a collection of 19 pool villas, offered in one-, three- and four-bedroom configurations. Each villa boasts charming interiors with a natural colour palette, floor-to-ceiling windows, and expansive wooden decks that allow for a seamless blend between indoor and outdoor living. Well-heeled travellers, families, and couples will discover a resort that allows guests to immerse in nature whilst enjoying the seclusion of their villa with spacious bedrooms, vast en suite bathrooms with twin spa baths, private infinity pools, and 24-hour butler service.

Perched on the verdant Ao Yon hillside allowing for expansive ocean views, the design of the resort truly embraces the landscape of the property. Villas, restaurants and the spa hover above the trees, blend into the hills, and seamlessly connect with the outdoors. Natural materials, bespoke design and locally inspired art pieces can be admired throughout the resort, with unique stories waiting to be uncovered by engaged explorers who appreciate the original and authentic experiences for which the MGallery collection is renowned.

*“The opening of our third MGallery resort in Phuket is testament to our confidence that travellers will continue to seek out more authentic and meaningful experiences. The MGallery collection now offers more than 100 addresses globally, each one captivating and unique in its own right, for a truly boutique experience. MGallery guests are inspired through their visits to these stylish, thoughtful and decidedly singular hotels, so we are delighted to unveil this new destination in Phuket for those seeking a truly serene experience overlooking the Andaman Sea. We know that the privacy and natural beauty of V Villas Phuket – MGallery will be a drawcard for many explorers as the world reopens,”* said Garth Simmons, Chief Executive Officer of Accor, Southeast Asia, Japan and South Korea.

Gastronomic excellence and breath-taking ocean views make for a memorable dining experience. **Yon|Ocean House** offers three distinct dining spaces, the highlight being an outdoor terrace surrounded by tropical greenery. The restaurant serves Thai coastal cuisine and European-inspired dishes, using fresh, locally sourced ingredients. The wine cellar houses an extensive wine list with esteemed labels from around the world. Soaring 55 meters above sea level, **AKOYA|Star Lounge** is a stunning sunset spot, offering a relaxed rooftop bar experience with gorgeous 360-degree ocean and night sky views, ideal for intimate social gatherings.

The resort’s holistic wellness offerings will enable guests to feel truly revitalized throughout their stay. The treatments at V Villas Spa take inspiration from locally cultivated pearls and the restorative energies of sunlight and nature. Below the resort, pearls have been harvested from the azure waters of Ao Yon Bay for many years, and guests will discover various links to this precious gemstone throughout the resort. The gym features state-of-art fitness equipment, whilst swimmers and sunbathers can relax at the main infinity pool that merges with the seaside horizon. The resort also offers personalised wellness programs and in-villa yoga classes.

Three outstanding wedding venues, including the YON|Ocean House, AKOYA|Star Lounge, Hilltop Cliff and Owner’s Villa, each provide romantic luxury wedding experiences with Andaman ocean views. The resort’s wedding specialists can assist in all arrangements from the pre-wedding party to the ceremony.
